Why choose our Extreme Auto Spa Fundraising Program?

- * It's easy... Your organization is selling a service so there are no products to order, no deliveries to schedule, and no perishables to spoil
- * It's profitable... Your organization keeps 50% of all sales
- * Your organization makes no initial financial investment... We provide all sales materials
- * Your organization works with 2 reputable, local businesses. **All coupons will be valid at Xtreme Auto Spa in Lenlock AND Gamecock Auto Spa in Jacksonville!!**

How does our Fundraising Program work?

1. Select a date to start your fundraising event: We will allow up to a one month selling period
2. Select the quantity of Car Wash Passes you would like to sell. Research has shown that the \$10 price point is an agreeable and convenient price for buyers and sellers. So, offering the \$14 wash for \$10 have GREAT results.
3. Prior to the start of your selling period, call us to schedule a time to pick up your passes and sign a simple agreement. At this time, we will collect a check from you for the total projected amount due at the end of the sale. This check will NOT be cashed until the end of the selling period. In the event you do not sell all of your wash passes, you can issue us a new check at your appointed time for the adjusted amount due.
4. Sell, Sell, Sell
5. At the end of your selling period, collect the sales and unsold passes from each seller. Reconcile your account and prepare to return the unsold passes and 50% of the sales made out in a check to Extreme Auto Spa.
6. Congratulations, you are done.. now its time to apply those additional funds to enhance your organization! We hope to work with you again soon!
